

# CORE Mentor Position Description

## About CORE:

Inspiring children, empowering youth! This is our DNA and we want to welcome you to our family. We are an organization filled with hope for a brighter future for all of our students. Our mission is to break the poverty cycle for the next generation through parents' choice of education and character development programs.

## About CORE Mentor:

In order to achieve our mission, we are looking for the next CORE Mentor. Someone to help us envision a world where refugees and other underserved children and youth can experience nurturing relationships and holistic support. Our mentor will enable youth to become caring and contribute to society, capable of making informed, responsible and value-based decisions.

Our ideal Mentor is eager to take our CORE students and help them maximize their potential by shaping their future, their social and emotional growth and positive development.

## Role and Responsibilities

As a mentor you will be our partner, inspire, and support the mentee's capacity for positive growth. You will help support your assigned mentees through ongoing group and one-on-one sessions. Build relationships and serve as a positive role model for all students. You will need to plan and participate in activities to help mentees understand their role in life. Show mentees how to establish goals and teach them about the stepping stones to build their strengths, self esteem and motivation. Lastly, you will act as a youth ambassador helping to advance youth agencies.

## Time Commitment

In order to build long lasting relationships with our CORE students, you are expected to commit for at least 1 year in this project as follows:

- A minimum of 8-10 hours per week Monday through Friday after school and occasionally Sundays.
- Attend pre-match training sessions and be available for other students supporting events and meetings as scheduled.

The job is in-person at CORE, located:

## Benefits

- Personal fulfilment by contributing toward growth and empowerment of students
